What are we Doing?

We will be evangelizing, tabling, actively inviting FSU students to service and small groups, as well as hosting and helping with events on the FSU college campus to connect students to the ministry. We will help with some service projects with a couple of local churches around the area. Another activity we will be engaging in is setting up and facilitating an event called Jesus Exhibit where we have a couple of panels to invite FSU students into conversations on topics like: who is Jesus, the Bible, the Cross and the resurrection, among other topics.
